Ultra-Wideband

RECEIVED
APR 28 2000
FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Ms. Salas:

On Thursday, 27 April 2000, undersigned counsel for Time Domain Systems, Inc. discussed the above-noted matter with Ari Fitzgerald, Legal Advisor to Chairman Kennard. In that conversation, I urged that the Notice of Proposed Rulemaking on Ultra-Wideband technology—now under consideration by the Commission—not be delayed by the upcoming WRC. I further urged Commission to rely on the advice of its own WRC experts in determining what issues were likely to arise at the WRC, and what impact U.S. domestic decisions would, or would not, have at the WRC.

Sincerely yours,

SCOTT HARRIS
